

COMMANDING OFFICER 767 DEARMAN ROYAL CANADIAN AIR CADET SQUADRON

15 Apr 20

Cadets and Parents.

At this time, I must provide an update with regards to the 2020 Cadet Training Year at 767 Dearman RCACS. The Squadron has been stood down for a month and was currently scheduled to remain closed until 30 Apr 20. I'm afraid we will be closed longer than anticipated.

In light of the evolving situation regarding COVID-19, The Commander at Formation has ordered all in-person Cadet activities to cease until 31 Aug 20. This includes Summer Training.

To combat the current challenges, we have launched a new online platform for the Cadets to engage with the Officers and Staff Cadets. We plan to host fun and innovative training, delivered over the internet. Information for Cadets to be involved is posted on our Facebook updates page (Nos Crescamus Updates). Instructors should begin Beta testing their content and Cadets will be loaded into the courses next week. The Music Program's platform went live just over 2 weeks ago. Please register to stay involved.

I would like to thank the Bishop of the Church of Jesus Christ of Latter-Day Saints. The church has opened their home to us, and for that I am forever grateful. Unfortunately, this partnership will not be able to move forward, even after the pandemic allows us to continue Mandatory Training.

The SSC and Officers are diligently searching for a new parade location. Anyone with contacts or leads for a new parade location should contact Ms. Anderson at 767chair@gmail.com with any information.

In closing, please STAY CONNECTED. Follow and interact with our social media (Facebook, Instagram and Twitter). STAY ENGAGED. Register, connect and attend seminars online with our platforms. STAY SHARP. Work on your skills at home (Uniforms is a good place to start!).

But most importantly, STAY SAFE!

Kevin Antrobus
Captain
Commanding Officer
